

1. Leaving the principles:

1. Let us leave the doctrine pertaining to the beginning of the Christian man: OUR BECOMING A CHRISTIAN.
2. Let us leave the doctrine pertaining to the beginning of the Christian life.
3. You have been long enough converted to understand these...but you linger among the very elementary truths.

2. SOME DOCTRINES THAT WE NEED TO UNDERSTAND:

1. Our deadness to the world. Rom. 12:2  
*James 4:24* Col. 3:1,2

2. Self denial.

1. Not often are we willing to deny anything.

3. We need to understand what FORGIVENESS OF INJURIES MEANS. *Matt 18:15-19*

4. We should learn what charity or love means. We can understand this about everything other than Christ and the church.

5. We should learn what LOVE FOR A LOST DYING WORLD MEANS. **These are element<sup>s</sup> which God's children should learn, they are not learned by many**
