

WHAT THREATENS TO DESTROY FAITH?

1. It is not atheism, Catholicism, or even Communism in our day that threatens to destroy faith. It is of a certainty Materialism., Rationalism

2. What is Materialism?
 1. Teaching that the facts of the universe are sufficiently explained by the existence and nature of matter.
 2. The tendency to give undue importance to material interest.

3. What is Rationalism?
 1. The practice of guiding one's opinion and action solely by what is considered reasonable.
 2. Explanations according to reason of what appears supernatural.
