

"Why I Believe In God." Isaiah 40:26, 12.

5-I Believe In God because: (Zoographical)

- 1-The Polar Bear is white and not black.
- 2-Being white is conducive to longevity of life.

6-I pass from the zoological world to the botanical world and we plant a grain of corn in the friendly warm bosom of "Mother Earth."

- 1-First we observe a sharp pointed stem pushing downward into the earth.
- 2-Second, we observe a sharp pointed spire pushing upward, piercing the soil above, struggling up to the daylight, to unfold itself in broad, spreading, funnel shaped leaves, which catch the falling rain and the dew-drops, and convey them down to the center of the plant.
- 3-Next we see;
 - 1-The tassel; outside the branching leaves appear the ears of corn from the tops of which issue a silken fringe. in just the position to catch the pollen, which falls from the tassel above and renders the grain fruitful.
 - 4-Before we remove these grains of corn from the cob, and crush them between the mill-stones, let us examine them:
 - 1-They are arranged in stright rows from the bottom to the top of the central cob
 - 2-There may be;
4; 6; 8; 10; 16; or 24 rows;
but there are never- 5; 7; 11; or 13
rows of kernels on a cob.
 - 3-However the number may vary;
it is an even
and permanent number.
 - 5-This cannot be the result of chance because; Chance does not count and does not know the difference between an even number and an odd one. The result of an intelligent Being who counts and reckons.

"Why I believe In God." Isaiah 40:26. 12.

7-I Believe in God because:

- 1-Among all nations is to be seen a people know in the nations as the Jew.
- 2-Why is he there????????
- 3-The prophet of God; Amos 9:8-9;

Behold;
the eyes of the Lord God are upon the sinful kingdom, and I will destroy it from off the face of the earth, saving that I will not utterly destroy the house of Jacob, saith the Lord. (9)

For, lo, I will command, and I will sift the house of Israel among all nations.

4-Israel;

A living, walking testimony that God is.

8-Finally, I believe in God because:

- 1-From God's creation of man to the birth of Christ when shining bands of angels leaped from the plastic fingers of God to go forth and sing his message of "Peace on earth, good will to all men" and until the last trumpet of God shall sound and time shall be no more, men shall continue to worship God-That God of whom I have spoken this night.
