Subject: "OK, Now I want to get saved!"

"I truly believe that your web site is an answer to prayer. For the last 2 weeks, I have been struggling and praying for God to show me the true way to be saved, and my friend showed me the scripture John 17:17 today (although he disagrees with the salvation plan on your website). I was doing research about this verse online when I came across your site. Although I had never heard the teachings on your site before, it was in complete accordance with the way I was coming to understand God's plan of salvation through my personal Bible studies (though my friends told me I was wrong, that I could be saved just by believing in Christ, which is false, and I knew it because the Bible teaches otherwise!) Yet, I didn't know where to turn, I thought that Christ's church must not exist on the earth, I was so discouraged. Until today, I realize that the church of Christ does exist! I am so happy, and thankful to God! Please tell me how I can join the church of Christ.

About me, I am a 31 year-old American expat currently residing in Bangkok, Thailand. Is there a congregation of the church of Christ near me? I am so excited, I just want to become a part of Christ's church as soon as possible. Thank you for your web site, and I look forward to receiving your reply very soon. May God bless you, I thank Him for showing me your website."

Subject: "OK, Now I'm saved!"

"Shortly after I sent you my previous e-mail, the minister from the local congregation called me and invited me to the Wednesday evening Bible study (tonight, I just got back). After the Bible study he asked me some questions and showed me some scriptures, and made sure that I understood what the full significance of baptism. Then he asked me to confess my faith in Jesus Christ before the congregation, and I was baptized into Christ! Thanks as always, I will stay in touch with you. Also, the minister asked about your web site since I told him that it is where I learned about the church of Christ, I think that he will be contacting you about my baptism. Thanks as always, and I will be sure to contact you if I have any questions about the Bible. I am so thankful to God for saving me, this is the happiest day of my life!"
