

DORCAS, Acts 9:36-42.

1. These are some of her memorable characteristics:
  1. She worked and was know for working, rather than for anything else.
  2. She worked abundantly, so abundantly that she is described as "full of good works."
  3. Her works aimed at one thing...being useful works.
  4. She worked humbly and for the humble.
  5. She did what came first...
    1. First to her own ability.
    2. First to her own means...financially able to do.
    3. First to the want that was nearest to her...not across the sea first..not in the next county but that nearest.
  6. Her "good works" are not almsgivings but almsdeeds.
    1. Should we expect church-members to visit us when we never do any visiting
    2. Should we expect people to do good unto us when we never do good unto others.
