

NOTES FOR SERMON: GIVE ME THIS MOUNTAIN
Joshua 11:12

1. MOST WANT THE EASY THINGS IN LIFE.

1. Mountains are liabilities... Well watered plains easy.

2. WE ARE LIVING IN A DAY WHEN IT IS NOT DIFFICULT:

1. To find people who want to be head cooks...but it is really difficult to find some one who will wash the dishes.

2. There are always several hundreds of girls who yearn to ride in the parade as the beautiful queen...but only a half dozen disgruntled ones show to decorate the float.

1. They make themselves unhappy in talking about the lazy ones who are not there.

3. The world has never lacked for those who want to be head carpenters...a great search is required to find those who will drive nails and saw boards.

MOUNTAINS BEFORE US TODAY
