

"Keeping the Family Christian-America's  
Highest Challenge." 2-Timothy 3:1-5

1-A Modern Family Situation:

1-Describe the Barr Family as in yesterday's lesson.

2-The problem analyzed:

1-What influence have these factors had in the case.

1-A larger income--More comforts and luxuries.

2-The Automobile--Jacks airplane.

3-Lucille's College life.

4-Mr. Barr's absorption in business--His need of golf for relaxation--Played on the Lord's day.

2-Meanwhile the family has moved out into a suburb.

1-Commuting takes time and distances are long---especially to church.

2-This has upset the family's schedule completely.

1-They are seldom all together for breakfast.

2-They are never together for lunch.

3-Often they are not even together for dinner.

3-What should the Barr Family Do? From our brief statement of the case it is very clear:

1-That John Barr and his wife need to rediscover God.

2-They need to recover their religion.

3-They need to do this to save their home from the subtle inroads of American postwar paganism. Point out some of the dangers when this war is over.

4-What has the Barr family been doing?

1-They have been too self-indulgent.

2-They have been too much influenced by the lax social ideals of pagan neighbors.

3-They have been dallying with:

1-The false gods of pleasure

Fashion, Popularity, Social prestige, Bridge, Country-club golf, and business success.

4-They need a revision of values--They need to put "First things first." Matt. 6:33
