FIVE REASONS FOR THE DECLINE AND FALL OF THE ROMAN EMPIRE. GIBBONS

- 1 The alarming increase of divorce and breaking down of the home.
- 2. Higher and higher taxes, until the lead became unbearable, while officials of the empire continued to spend public funds with redkless indifference.
- 3. A mad desire for excitement which led to all sorts moral extravaganzas, which engulfed the enpire and destroyed it.
- 4. Increased political pressure for armaments, but WM with blind disregard for the destructive elements building up inside the empire.
- 5. The decline in religion and a withholding of support from character building instutions. I might not go dong with Gibbons on the withholding of funds from character building instutions: What are character building instutions?
 - 1. The home
 - 2. The church
 - 3. Public schools

THREE LAWS OF GOD WHICH AMERICANS NEED TO PONDER:

- 1. Righteousness exalteth a nation: but sin is a repreach to any people. Proverbs 14:34
- 2. Be no deceived; for Ged is not mocked: for whatseever a man soweth, that shall he also reap. Gal. 6:7
- 3. For he that soweth to his flesh shall of the flesh reap corruption; but he that soweth to the Spirit shall of the Spirit reap life everlasting.

Gal. 6:8
