

Ps. 1:1-6. "The Genesis of Sin" James 1:13-15

1-Genesis comes to us from the Greek by way of Latin. The root word (**gignesthai**) means: TO BE BORN.

2-The word Genesis, or in the plural Geneses, usually suggest to our minds:

1-**Origination; Generation; Development; Evolution.** So we speak of the genesis or development and evolution of sin.

3-Lust throughout this passage is personified and fashioned as a harlot, ever striving to allure and captivate the will.

4-The word lust suggest somethings we should note:

1-We think of:

**Inclination, desire; sexual desire as a degrading passion; an inordinate or sinful desire.**

(This morning as we think of the word sin as well as the act of sin, I invite your attention to the four stages in the development of the evolution of sin)

1-The desire: **The appetite draws the man towards evil indulgence.**

1-You desire to go to church; 2-Desire is the basis of all you do.

2-The will: **The will yields to the desire which thus becomes pregnant with action.**

1-ADAM & EVE: Genesis 3:6-7.

2-The sin of Achán (trouble) Joshua 7:21.

(From the guilty union OF LUSTFUL DESIRE)  
(WITH THE WILL TO DO a living sin is born)

3-Sin a deadly thing: **Annihilation of spirit and soul from the eternal Heaven of God.**

Psalms 1:11-6; "The Genesis of Sin" James 1:13-15

So the third stage in the genesis of sin:

3-Sin: These three letters sum up all the misery of the human race. **Wars, ETC.**

Lastly, sin, "when it is full grown bringeth forth death. So the final stage:

4-DEATH:

(The physical corruption which the practice of sin entails is just a sacrament of spiritual death.....)

1-Death is the fruit of all sin:

1-Sin kills peace;

2-Sin kills hope;

3-Sin kills usefulness;

4-Sin kills the conscience;

5-Sin kills the soul; (The harlot-house of lust and sin actually becomes the vestibule of perdition.

5-Common place things:

1-liquor stores;

2-honky tonks; dance dens.

3-What the Legislators think about such places.
