THE OTHER SIDE OF THE ROAD CONTINUED:

3. The pleasant side

1. There is pleasure in sin for a season. Heb. 11:25
2. It is not always pleasant to do right, there is a cross to bear, a sacrifice to make, in obeying the gospel and living the Christian life.
3. It is not really pleasant:
 1. To visit the sick, care for the wounded, close the eyes of the dead, and comfort the bereaved
 2. A mission of mercy to the slums is not pleasant but it is necessary. In Matt. 25:45 Jesus said, ("In as much as ye did it not to one of the least of these, ye did it not to me.")

4. The inexpensive side

1. It cost the priest and the Levite nothing to pass by on the other side.
2. It cost the Samaritan something to pass by on this side. What did it cost him?
 1. It cost him TIME, SERVICE, and MONEY on this side of the road.

LET US CONSIDER SECOND:1. This side of the road

1. This side of the road more often is not popular, conspicuous, inexpensive, or even pleasant as the other side of the road.
2. On this side of the road we are responsible for:
 1. Preaching the gospel of Christ in all the world to save souls.
 2. Living busy and useful lives. Having our days filled with kind words, noble deeds and unselfish service.
 3. Having our ears open to the cry of the widow, the orphan and other needy people who need help.
3. We cannot travel on THIS SIDE OF THE ROAD without paying the fare. It is expensive to travel on this side of the road but the fare is always a great bargain for us.

On which side of the road do you travel? On the other side or on this side? That is the decision you must make: ON THIS SIDE WITH GOD OR ON THE OTHER SIDE WITH OUT GOD.
