1. Some one has said that a man's life consists of three parts: *Jesus' last address to the Jewish nation*
1. A period of preparation. *Jesus turns upon*
  2. A period of accumulation. *the 1. whitened sepulchre*
  3. A period of contribution. *2. Generation of Vipers  
3. Hypocritical pretenses*

2. Your attitude toward life will determine many things
1. Two men moving from the same community to the same community.
  2. Each inquired of the same man as to the kind of people who lived in the community to which they were moving.
  3. What kind of people lived in the community from which you are removing. That will determine the kind of people in the community to which you are moving.
  4. Whether good or bad determined in a large measure by your outlook on life.
3. You must be on the team. Dartmouth-Princeton 1935
1. Dartmouth had been going like a steam roller but lost to Princeton 26 to 6.
  2. A hatless individual from the stands rushed into the Dartmouth line just as play was called.
  3. He was caught in Tiger off-tackle thrust, but emerged unhurt, rushed off the field while the crowd roared.
  4. Outside the church, and even within, there are those who now and then seek to stop the onrush of sin at a critical moment in the life of the church. IF IT IS GOING TO COUNT YOU HAVE TO BE ON THE TEAM.

WILL YOU BE A DOER OR AN IDLER?
